ATLANTA, Ga. (AP) — Negro leaders, while jubilant over the Supreme Court's ruling upholding the controversial public accommodations section of the Civil Rights Act, were taking a wait-and-see attitude today over whether full compliance with the ruling would follow.

President Johnson, noting there already has been "encouraging widespread compliance with the act in the five months it has been law," expressed hope the court ruling Monday would result in increased acceptance. Other leaders, Negro and white, called for compliance.

Segregationist restaurant owner Lester Maddox of Atlanta awaited a decision by the court on his own appeal to a lower court order that he admit Negroes. Maddox said he felt a similar ruling would not be made in his case because he does not engage in interstate commerce.

John Lewis, chairman of the Student Non-Violent Coordinating Committee which has been instrumental in many sit-ins throughout the South, hailed the court's ruling on the Civil Rights Act and sit-in demonstrators as a landmark.

"The decision vindicated the thousands of demonstrators who made the civil rights bill not only possible but imperative," Lewis said. "It must be held as the landmark in the struggle for complete social, economic and political equality for all Americans."

## Elk Hunt Total Pushed To 269

VANDERBILT (AP)—A never-say-die hunter, who kept on the trail of his quarry right up until the deadline of the very last day, pushed the count for Michigan's first elk hunt in more than a century to 269.

The last hunter to bring in an elk was George Grabow of Whittemore. Grabow finally scored late Sunday.

He didn't report in at the Pigeon River State Forest checking station, near Vanderbilt, until around 7:30 p.m. because his prize was taken in the far southwest limit of the range. Grabow didn't give up although he had been hunting all week without success. A farmer in the area told him of an elk track Sunday and Grabow followed it to bring down a good bull.

The last elk shot during the season was a 10-pointer dressing out of 462 pounds. The live weight was estimated at nearly 700 pounds.

Still the trophy bull was a 16-pointer shot by Gary Loebrich on the first day of the season, Dec. 12, and reported the following day. The elk weighed 556 pounds dressed out and the live weight was estimated at more than 900 pounds.

## Legislators And Romney Discuss State Surplus

LANSING (AP)—Gov. George Romney and Democratic legislative leaders sit down today to talk budget with an argument about the state treasury surplus already in full bloom.

Sen. Garland Lane, D-Flint charged Monday that by June 30 the surplus will be \$90 to \$100 million or up to \$30 million higher than Lane says Romney is predicting.

State controller Glenn Allen, Romney's budgetary right hand, said Lane's statement "just isn't so."

Allen told The Associated Press Monday night that his staff hasn't finished putting together the economic figures which would tell how big the surplus might get.

### Figure Optimistic

Allen said he wasn't aware that Romney has cited the \$60 million figure Lane credited to the Republican governor.

Allen said the last available surplus figure was \$57 million as of last July.

"We know it's going to be higher than that," said Allen, "but we don't know how much. Their figure is certainly optimistic."

Lane said he got his estimate from two independent sources and added that revenue figures for the first five months of the 1964-65 fiscal year were a key determinant.

"It's unsound to base a prediction on just the first five months," Allen said. "Some-

times it turns out true and sometimes it turns out false."

The original current year's budget anticipated a \$2 million drop in the surplus.

Lane and other Democratic leaders who met Monday said they're afraid Romney won't give them the straight surplus facts.

### Highest In History?

"I intend to give them the figures so we'll all be in the same boat," Allen said.

He expects to have an estimated surplus within a week but added that the figure to be used by Romney in his budget message early next year will be further updated.

Lane, who will head the Senate Appropriations Committee when Democrats take over the Senate next session, said Romney wouldn't furnish the Democrats with revenue and surplus figures.

"We had to come up with our own," Lane said. "What we're trying to do is establish the first state—that is the size of next year's budget."

Lane said even a \$100 million surplus would not last through the next two fiscal years because of state needs.

The governor is in the midst of budget-planning sessions that are expected to climax with submission to the legislature of the highest appropriations budget in state history—probably at least \$1.3 billion.

## NATO Ministers Will Sidestep Nuclear Dispute

PARIS (AP) — The North Atlantic Alliance's foreign, defense and finance ministers met today for their annual policy review. But they probably will sidestep the internal crisis generated by French-American differences over nuclear defense of the Western world.

The United States and some of its partners in the North Atlantic Treaty Organization want a system of joint control of nuclear weapons with the final decision on their use left to the president of the United States.

France insists on proceeding with development of its nuclear arsenal independently and claims an integrated NATO nuclear command would mean continued U.S. domination of Western Europe.

NATO's year-end ministerial council session was expected to defer any decision on the disagreement to permit further study of new British proposals — a device which will permit

## Russians Oust 3 Americans As Spies In Moscow

MOSCOW (AP) — The Soviet Union closed the gate today behind four Western military attaches, ordering them to leave the country — after they already were scheduled to go.

Four Soviet attaches in the United States and Britain were ordered out.

The four in Moscow — three Americans and one Briton — had been accused of spying after Soviet agents forcibly searched them and confiscated cameras and notebooks Sept. 26 in Khabarovsk, the Soviet Far East military headquarters city.

Since then they have been denied permission to travel in the Soviet Union, as military attaches normally do. The U.S. and British governments denied the spy charges.

## Blues Insurance Rating Called Costly By UAW

LANSING (AP)—The United Auto Workers Union today urged rejection of the proposed Blue Cross-Blue Shield experience-rating plan as a "soak the sick" arrangement.

Douglas Fraser, member of the UAW International Executive Board, called the proposal "bad and costly medicine."

Fraser, in prepared testimony State Insurance Commissioner Allen L. Mayerson's public hearing on the Blues' proposal, said the agencies could economize by other methods.

Blue Cross (prepaid hospital service) and Blue Shield (prepaid medical) have proposed an experience, or merit, rating system for subscribers.

### Alternative Proposed

The Blues have community-wide rating. Under the experience or merit system their rates would be gauged to the extent of use of their services by individual, subscribing groups.

The Blues say a switch to the experience rating system would permit them to compete more favorably with private hospital and medical insurance companies.

A governor's commission which has studied the Blues operation has come out in support of the proposed change.

Fraser made recommendations as alternatives which he said would provide better answers to the needs of the services.

He also said a governor's commission in California has recommended abandonment of a merit rating system in effect in that state for 11 years.

Fraser called for improve-

## William Bendix, Film Star Dies

William Bendix

HOLLYWOOD (AP) — Actor William Bendix is dead. And so, in a way, is Chester A. Riley, the pug-faced, soft-hearted character he made famous in television, radio and the movies.

Bendix succumbed Monday at Los Angeles Good Samaritan Hospital to lobar pneumonia, complicated by a stomach ailment. He was 58.

At his bedside were his wife of 37 years, Therese, 58; daughters Stephanie, 20, and Lorraine, 30, and Mrs. Alan Ladd, with whose late actor husband Bendix once starred.

During his career, Bendix played characters ranging from brutal villains to everybody's pal.

To millions of fans of "The Life of Riley" television show, Bendix' death was a double loss. It removed Chester Riley, the harried father.

"I'm about as handsome as a mud fence," he once remarked. But the strength and sincerity underneath the craggy exterior transformed him from character actor to star.

He was frightened in Eugene O'Neill's "The Hairy Ape," tough as the brutal first mate in "Two Years Before the Mast."

Bendix underwent surgery for stomach ulcers in 1955.

Bendix and his wife had been living in Palm Desert until he was brought to Good Samaritan Hospital Dec. 8.

Funeral services are tentatively scheduled for Thursday in suburban Van Nuys.

## Steel Contract Move Criticized

PITTSBURGH (AP) — The AFL-CIO United Steelworkers open contract talks with 11 major producers today amid seething industry criticism.

These are plant-level negotiations. The national contract is scheduled to be reopened the first of the year.

In a joint statement Monday the 11 major companies, which represent more than 70 per cent of the nation's steel output, scored the union for announcing it would reopen the contract.

The companies said this "put the country to the disturbance of a potential crisis date."

The USW, which last month said it would reopen the contract to seek higher pay and total job security, is free to strike 120 days after the national talks start. This would make May 1, the earliest possible strike date.

However, since the crippling strike of 1959-60 — the most recent one — union and management have tried to meet in advance of formal negotiations to provide breathing room.

## New Canadian Flag Gets OK

OTTAWA (AP) — Canada's new maple leaf flag cleared its first major legislative hurdle early today, winning approval from the House of Commons 163-78.

The measure goes to the Senate. If approved there, it will be proclaimed by Queen Elizabeth II as Canada's new national banner.

The design is a single red maple leaf on a white field flanked by red panels.

Canada's flag is the Red Ensign with the British Union Jack in the upper left quarter symbolizing the country's long association with Britain. French Canadians object to it as a symbol of the domination which they contend English-speaking Canadians wield over the country.

The opposition to the new flag was led by English-speaking Conservatives and war veterans who wanted the Union Jack retained.

## Swainson Plans To Leave Party Post In January

LANSING (AP) — Former Gov. John Swainson said Monday he hasn't decided when to resign as Democratic national committeeman—but it won't be until after Jan. 20.

Swainson is running for a circuit court judgeship in Wayne County and could not be a committeeman if elected. He is strongly favored in the race and said "it's looking good."

He said he'll attend President Johnson's inauguration Jan. 20 as a committeeman.

## Army Reserve Shift To Take About 16 Months

WASHINGTON (AP) — The Pentagon is aiming to complete the revolutionary reorganization of the Army's Reserve forces in about 16 months, it was learned today.

Key officers of the National Guard and the Army Reserve have been told in secret briefings that the objective date for final action is the end of March 1966.

It is expected that Guard and Reserve outfits will go to summer training next year in their present form, some of these officers told The Associated Press.

The Army staff, aided by Guard and Reserve officials, already has begun the difficult job of working up solutions for the problems involved in shifting 150,000 Army Reservists and their units to the National Guard.

One of the first jobs to be handled is the drafting of a "troop list." This involves surveying the 4,000 Reserve units to decide which 2,000 or so will fit into the expanded Guard organizations, and how they will be distributed among the states.

Such a troop list — which is really only a beginning point for

the reorganization — is not expected to be ready before mid-February. At that time, the states will know what units they will lose and what units they will gain.

Plans are being made to brief state governors, who have a powerful say under the law as to the disposition of the National Guard within their states.

Moving slowly eastward across the Great Lakes, the icy front dumped several inches of snow on the western sections of Michigan and New York.

In the northwest, new snow made highways treacherous.

Communities in Minnesota and North Dakota reported temperatures as low as -20, as another gigantic polar front over northwestern Canada moved slowly southward.

Bemidji, Minn., reported a high of -1 Monday.

Sections of northern Wisconsin had lows of -5 to -15, and southern portions of the state ranged from -8 to 3 above.

The 56-year-old eldest son of the late President Franklin D. Roosevelt told a news conference Monday there has been enough Los Angeles City "government by tantrum."

Mayor Samuel W. Yorty's fight with the City Council majority has given the city a bad image, Roosevelt said, and consequently "the city has not made the progress it should have."

Yorty, also a Democrat, hasn't announced re-election but is considered a certainty to do so. He fired back about Roosevelt:

"Now that he has solved all the problems in Washington, he's come charging down from Beverly Hills to solve all our problems in Los Angeles even before taking the oath of office for his new term in Congress."

Midland (AP) — Funeral services were held Monday for Marvin E. Wyman, a Spanish-American War veteran. Wyman died Saturday at the age of 88. He served with Company H of 35th Regiment of Michigan Volunteers during the Spanish War.

## New Contracts Provide Less Than 40 Hours

WASHINGTON (AP) — Organized labor, so far unsuccessful in persuading Congress to cut the 40-hour work week, is quietly winning the battle for shorter hours at the bargaining table.

Contracts covering eight million workers — 15 per cent of all wage and salary employees — provide for less than 40 hours, the AFL-CIO reports.

What's more, said an article in the labor organization's publication, the American Federationist, "with rare exceptions, the shorter work week was achieved without resort to strikes."

### Printers Included

While not so dramatic as the proposed blanket cut by federal law, the contract-by-contract progress in reducing hours adds up to some surprising totals.

For instance, the article said, "among office employees, one-third are on schedules shorter than 40 hours." In the printing trades, 98 per cent of all workers are on standard work weeks under 40 hours. So are 97 per cent of the ladies' garment workers and 65 per cent of brewery workers.

"Unions are winning shorter work weeks in construction, manufacturing, retail and wholesale trade, finance, insurance and real estate, the service industries and in state and local governments," it said.

The report was based largely on Labor Department figures.

Some contracts go even lower than 35 hours. New York electricians, who have had a 25-hour week since 1962, are the classic example.

### Trimmed By Minutes

Rather than slashing several hours from the work week in one chop, the typical contract nicks off a few minutes at a time, like this one between the Chemical Workers and Burroughs, Welcome & Co. in Tuckahoe, N.Y.:

"Each workday is reduced, effective at once, by ten minutes. A year hence, another ten-minute reduction becomes effective and, in 1966, a third ten-minute segment is cut off, reducing the present 40-hour week to 37½ hours by July 1, 1966."

While noting considerable success at the bargaining table, the AFL-CIO is not giving up its attempt to write a 35-hour week into the Fair Labor Standards Act, which covers some 29 million Americans.

If anything, the labor organization will step up its efforts in the new Congress in January.

## Pontiac Man Admits Killing

PONTIAC (AP) — Authorities arraigned a 28-year-old newlywed Pontiac widower on a first degree murder charge Monday after he allegedly admitted the slaying of divorcee Mrs. Penelope Crook, 20.

Carl F. Foster, father of three children, demanded examination. Municipal Judge Cecil McCallum set examination for Dec. 23 and ordered Foster held without bond.

Police said Foster eloped with his housekeeper-babysitter the night of his date with Mrs. Crook.

The body of Mrs. Crook, twice married, was found on the city's east limits at the site of a housing project Sunday. An autopsy indicated the woman had been raped as well as beaten and strangled with her brassiere.

Foster, floor coverer at a truck plant, orally admitted the slaying, said Asst. Oakland County Prosecutor Jerome Barry. Barry said Foster was taken to the slaying scene and pointed out the victim's missing purse.

Barry, asked if Foster gave any reason for the slaying, said: "He did but I'd rather not go into details."

## Lions Sponsor Yule Lighting

Escanaba's Lions Club is again sponsoring the annual outdoor Christmas Lighting Contest in the city.

Cash prizes will be awarded to winners who, in the judges' opinions, display the most beautiful and most original outdoor Christmas scenes.

Heading the committee in charge of this year's contest is Tom Bintliff. Committee members are Ernie Rudolph, Charles Beggs and Harold Vanlerberghe.

A survey early this week indicated that few outdoor decorations have been complete. Bintliff urged all Escanaba residents to ignore the unusual weather and realize that Christmas is nearly here.

Judging of the outdoor displays will take place sometime between Dec. 23 and 28. Names of the judges have not been released as yet.

The number of cash prizes awarded has been increased this year. At least six displays will be named as winners and prizes awarded to the owners.

It is not necessary for residents to submit entries in order to have displays judged. A complete survey will be taken of Escanaba and all outdoor Christmas displays will be judged.

## Soil Bank May Be Succeeded By Bigger Program

Johnson Administration leaders are considering an expanded agricultural program that may recommend a land-retirement program to take as much as 40 million acres out of crop production, the Wildlife Management Institute reports.

Stated purpose of the program, which could retire as much as 10 per cent of U. S. cropland, would be to reduce the output of surplus products, maintain farm prices, and divert lands to needed income-producing uses, such as recreation. If authorized, the program could divert much more cropland than was retired under the soil bank program at its peak.

Approximately 14.5 million acres remain under soil bank contracts, but these will continue to come out of retirement until the program terminates in 1971. Contracts will expire on 3.3 million acres at the end of this year. Other millions of acres, including some of the lands formerly in the soil bank, are being retired a second time under the feed grain and wheat retirement programs. Unlike the soil bank program, contracts on these acreages must be renewed on a year-to-year basis, however.

The soil bank at its peak had 159 Delta county farms with 8,200 acres. There still are 65 county farms in the bank with 23 coming out at the end of 1964 to put 1,672 acres back in production.

Of the remaining 42 farms in the bank, said Mrs. Irene Blomberg, office manager of the Agricultural Stabilization Commit-

tee here, none will come out in 1965, 23 will come out in 1966, 5 each in 1967 and 1967 and the last 7 in 1969, when the soil bank land retirement program will expire locally.

The system has been chiefly influential in the Upper Peninsula in reducing the number of dairy farms, as the dairy farms which their owners put into the soil bank do not return to the dairy business when they emerge, but tend to be picked up for inclusion into larger existing dairy or beef cattle operations.

"The soil bank program was a boon to pheasants, rabbits, and other wildlife," the Institute reports. "A new land-retirement program could have even greater benefit with the more generous and realistic cost-sharing practices that have been approved for developing wildlife cover, restoring marshes, and creating ponds."

One purpose of the new retirement program, Secretary of Agriculture Orville L. Freeman said at a recent meeting, would be to retire lands on farms that actually are producing most of the surpluses. This means that the program, if authorized, could work on retiring land in the heart of American farmland, where wildlife habitat has been reduced because of large-scale clean-farming practices employed there.

## Wells Cub Scout Party Monday

WELLS — Wells Cub Scout Troop 431 will have a Christmas party Monday, Dec. 21, at 7 p.m. in St. Anthony's Church basement. A skit will be presented by two Dens and carols will be sung. The party is for members and their families. Santa Claus will distribute candy to the girls and boys and refreshments will be served.

Mrs. Edward Wigand is a medical patient at St. Francis Hospital.

## Personals

Here for the funeral services of Mrs. Fred Boddy Sr. were Mr. and Mrs. Steven Zepke and Walter Cleary, West Allis, Wis., and Mrs. Carl Kniese, Hales Corners, Wis., Clarence and Robert Garrett, Milwaukee, Mr. and Mrs. Neil Blaney, Gary, Ind., Clement Seibel, Green Bay, Mr. and Mrs. Fred Boddy III, Marquette, Mr. and Mrs. Robert Legault, Munising, and Mr. and Mrs. John A. Moore, Gladstone.

## JA Companies Get Charters

"Roots of Freedom — the American Way" was the subject of a talk by George S. Douglas, manager of the Mead Corp.'s Escanaba Division, at the presentation of charters to three Junior Achievement companies in Escanaba Monday night.

Douglas has successfully guided Junior Achievement as president of the Board of Directors for the past seven years.

At the meeting held in Junior Achievement headquarters at Escanaba he presented each of the three groups, whose members are composed of high school students, with charters to confirm the establishment of the local chapters. He also awarded pins to the advisors for their services.

A corporation is not equipment or money — it is people, Douglas said. Various freedoms are involved in enterprise: Freedom to decide, to dissent, to overrule, and freedom from harm, he said.

"I want to make it clear that corporations and industries depend on you, the people," he said. "You are the strength of America."

Douglas also told of the rewards arising from participation in a large company including a high standard of living, job opportunities, and scientific achievement.

## New Members Welcomed By Toastmasters

The Bay de Noc Toastmasters Club meeting at Marco's Monday evening heard invocation by a new club member, Tom McDermott. Table Topics were handled by Fred Fisher and toastmaster for the evening was Walter Peterson.

Speakers were Sherwood Trotter, who spoke on "We Can't Afford Poverty," and a new member, Dick Freeman, gave his first speech known as the "Icebreaker." Master Evaluator was Art Brien, assisted by other club members.

President William L. Miller introduced the District Administrative Lieutenant Governor, Robert Last, from Wisconsin. Other guests were Bob Snow and Leo Rahoi. Rahoi joined Toastmasters after the meeting.

The membership eligibility age has been reduced to 18 years by Toastmasters International and the club is hopeful of securing some of these youthful members.

## Gladstone Welcomes Shoppers

# City Will Cap Parking Meters

Acting on a request by the Chamber of Commerce, the Gladstone City Commission meeting in regular session Monday evening voted to cap the parking meters in the city from now until Christmas.

The action was taken to encourage shoppers to come to Gladstone as guests of the city. City Manager H. J. Hendrickson reported that the storm sewer project constructed under the Public Works Program with matching funds from the Home, Housing and Finance Agency, has been completed.

Final inspection has been made by the HHFA and the commission approved final payment of \$38,878.45 be made. Five per cent of this amount will be retained until the job has been proven successful. Funds have been made available to an Escanaba contractor to complete the fertilization and seeding of terraces and boulevards in the spring.

Kloss Knol, consulting engineer for Williams and Work Engineering firm, who with his family are leaving today for Grand Rapids, expressed his appreciation to the city commission for the cooperation he has received. A final payment of \$1,020 for engineering services was approved.

The commission approved the request of poles and wire for the light department. Bids will be advertised and must be returned to the city manager by Jan. 11.

City employees will receive Christmas bonuses of \$15.

A request by Arlene Picard, employed in the city hall, for return of money she has paid into the pension fund, was granted.

The stoker at the Industrial Park has been installed and Hendrickson asked the commission to visit the park to see the improvements recently made and to arrive at a fair rental figure for the LaPine Bros. space. The commission set the time for 4:30 Wednesday.

## Council To Name Three To City Planning Body

The City Council, when it meets at 8 p. m., Thursday in the City Hall, will act on the appointment of three members to the Planning Commission to fill expired terms. Mayor George Rusch will preside.

The terms of Arne Maki, Jim Davidson and Fred Breitenbach are expiring.

The Council will also recognize 21 years of service by a city employee who will retire at the end of this year. He is Leo Goselin, public works department. The city presents retiring employees with watches and the presentation will be made by Mayor Rusch Thursday night.

Communications will be received by the Council from City Ambulance Service, Montgomery Ward, and the Escanaba Area Public Schools.

## The 1965 Ford rides quieter than a Rolls-Royce!

Hard to believe? Maybe . . . but it's true. The Ford ride *proved* quieter in tests conducted by the world's leading acoustical consultants (Bolt, Beranek and Newman, Inc.). These tests were certified by the U. S. Auto Club. But come make your own test. And be ready for many other Ford surprises.

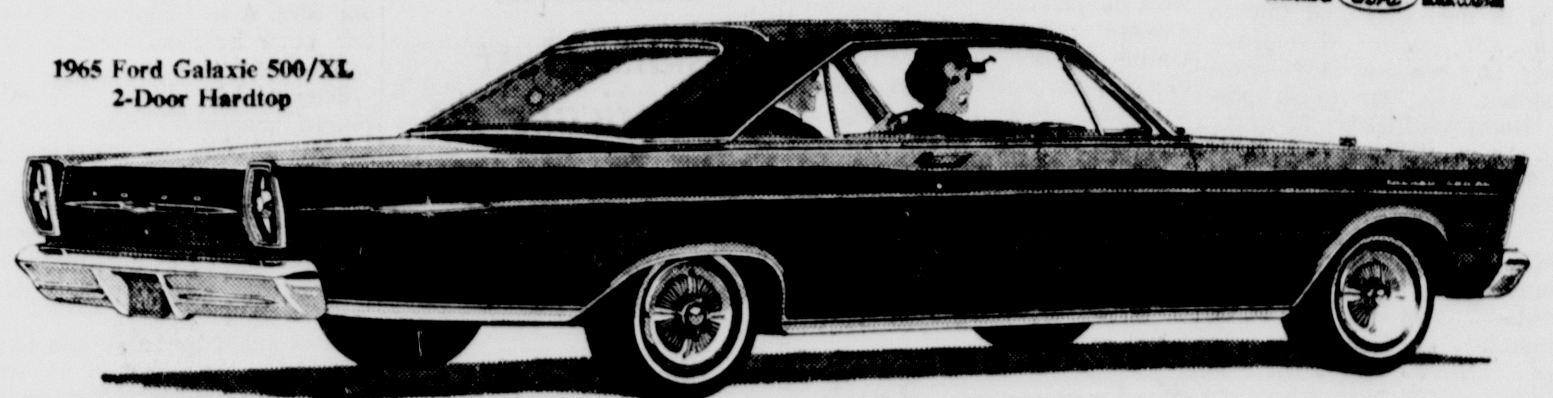

## And gives you luxurious new features like these...

Silent-Flo Ventilation (on 4-door hardtops). Fresh air is drawn in, stale air removed even with all windows closed.

New ultra-luxurious Ford LTD has quilted nylon-and-vinyl upholstery, thick cut-pile carpeting, rich walnut-like paneling in doors and instrument panel, and (like all Fords) —spaciousness. Even more hip, shoulder, knee room than last year.

## Midshipman To Speak At Area High Schools

A graduate of the Gladstone High School, now a midshipman in the U. S. Naval Academy, Annapolis, Md., will speak to groups of students in high schools of this area this week.

He is Midshipman Terrence E. Anderson, 23, the son of Mrs. Bernice Fabiano of Lansing. In Gladstone he was a member of the varsity baseball team. He entered the Academy in 1961 from the Marine Corps and is scheduled to graduate in June, 1965.

Midshipman Anderson has the following speaking schedule: Wednesday, Dec. 16—8:45 a. m. Holy Name High School; 3:20 p. m. Escanaba Area High School; Dec. 17—9 a. m. Rapid River High School; 2 p. m. Gladstone High School; and Dec. 18—9 a. m. Manistique High School.

His speaking tour is made on his Christmas leave to better acquaint young people with the Navy and its career opportunities.

At the Academy he has been on the superintendent's list, has been active in intramural sports, and spent his summers on cruises.

THE ESCANABA COUNCIL, Knights of Columbus, held their annual Christmas party for member's children on Sunday afternoon at the Council clubrooms from 2 to 4 p. m. with a visit from Santa Claus and distribution of candy to the 150 children present.

## Rapid River School Program Thursday Night

RAPID RIVER—Rapid River Schools will present their Christmas program for the public Thursday, Dec. 17 at 7:30 p. m. in the high school gymnasium.

A playlet "Lost Doll" by Eleanor Schroll and William N. Schmitt will be given by the elementary grades. Each class will sing songs representing items in a department store. The cast will include Carol Vau, Gail Hytinen, Mike Johnson, Donna Rasmussen, Regina Olson and Arlene Wilson. In the kindergarten class number Miles Anderson will be the father bear, Carol Vanderhoff, mother bear, Stanley Constantineau, baby bear, and Joan Thorbjorn, Goldilocks.

The program will open with the junior high school girls singing three numbers, "Come All Ye Children To Bethle-

hem", "Ballad of Jesus Christ," and "Pablo the Reindeer". The junior high boys will sing, "As Lately We Watched" and "We Three Kings" with solos by Clint Safford, Kim Papineau, and Charles Dillon.

Numbers by the Girls Glee Club will be, "Break Forth O' Beauteous Light," "Birthday of a King" and "White Christmas". The program will close with the mixed chorus singing, "Praise Carol", "Go Tell It On The Mountain", and "The Snow Lay on the Ground".

All Junior High and High School music is under the direction of Mrs. Robert Anderson. Santa Claus will pay a visit to all the children at the program's closing.

Camera manufacturing requires extreme quality control. At one Japanese plant, the temperature in the lens-polishing room is so delicately balanced that the heat from a single human body can throw it off.

## City States Gas Position

A resolution stating the official position of the City of Escanaba as an intervenor in natural gas hearings before the Federal Power Commission was adopted by the City Council in special meeting Monday evening at the City Hall.

On Nov. 28 the Council authorized proceedings to intervene in the gas hearings before the FPC in Washington on Jan. 26. The Council engaged Black & Veatch, consulting engineers, and Atty. James R. Fitzharris to, respectively, prepare for the presentation of the city's case, and to represent the city in the proceedings.

In action last night the Council designated G. F. (Frank) Bourke, city controller, to appear as a witness for the city.

The city's statement of position noted that for the past 10 years Escanaba has supported proposals for the introduction of natural gas into the U. P.

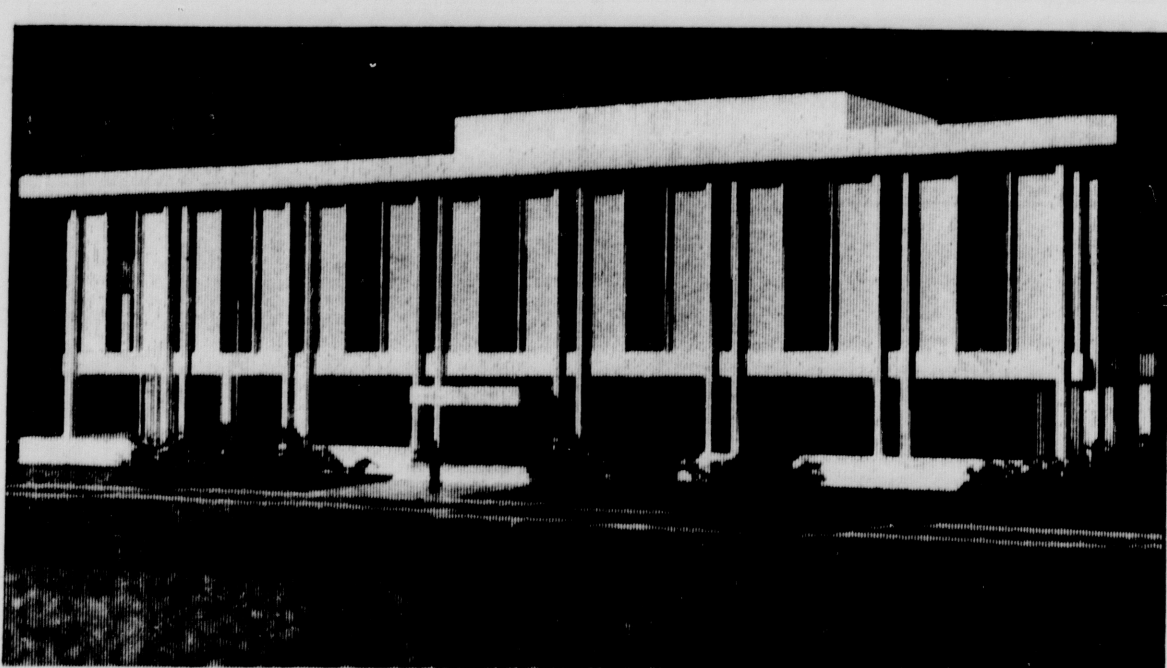

As the owner-operator of a municipal gas distribution system, Escanaba has a study under way to determine whether it will be to the best interest of the city to continue to serve the community or have that service provided by a private distributor. Natural gas firms seeking to serve the Escanaba area have indicated an interest in purchasing the municipal system and securing a franchise to distribute the fuel.

After the Council receives a report from its Citizens Advisory Committee "the issue of retention or sale of the municipal system will be submitted to the electorate for their decision, in accordance with city charter requirements."

The statement by the City Council urged the FPC to give "prompt consideration" to proposals to supply natural gas to the Peninsula.

## Newsboy Killed

DETROIT (AP)—An old newsboy selling Goodfellow news paper editions in suburban Grosse Pointe Park was struck and killed Monday by a car. He was Walter Zentgrebe, in his 70s, a retired Grosse Pointe Park fireman.

MICHIGAN TECH'S new \$2 million library building is pictured here in an architect's sketch. Herman Gundlach, Inc., of Houghton was low bidder on the general construction contract at \$1,431,773. The Peninsula Piping Co., Menominee was low bidder at \$320,000 on the mechanical contract and M. J. Electric, Ironwood, was low at \$145,743 on the electrical work, in the total project of \$2.1 million for land and building. The Legislature has appropriated \$750,000 for start on the building next to the Memorial Union on the Tech campus. It will provide 80,000 square feet of space, house 225,000 volumes and seat 1,000 students.

## In Service

Radioman Seaman Joseph E. Frappier, USN, son of Mr. T. E. Frappier of 521 1st Ave. S., Escanaba, participated Dec. 9-12 in a large scale fleet training operation in the Western Pacific called "Operation Tall Back" while serving aboard the attack aircraft carrier USS Hancock. Twenty-three surface ships, three submarines and several land-based Air Force and Naval air units participated in the exercise. Two task forces, each with an attack aircraft carrier as its hub, opposed each other. The operation was conducted to test and evaluate Seventh Fleet units under the most realistic operating conditions.

## VFW Auxiliary Holds Meeting, Holiday Party

The Veterans of Foreign Wars Ladies Auxiliary held a monthly meeting and Christmas party last night at VFW Hall.

Applications for membership were received from Gertrude Suojanen and Irene Lund and initiated into the Auxiliary were Katherine Pinar, Dorothy Kang and Mrs. Suojanen. A letter of thanks from the Iron Mountain VA hospital for donations of books and magazines was read.

Final plans were made for the children's Christmas party which will be held Dec. 20 from 1:30 to 3:30 p. m. at the VFW Hall. A teenage dance is being planned with Betty Sturdivant, chairman.

A favorable inspection report was read by Margaret Doucette, Auxiliary president, and a report on the recent successful rummage sale was given by Celina Sorault, chairman.

During the holiday party gifts were exchanged by the Post and Auxiliary, with Santa Claus in charge, and members sang Christmas carols with Rose Olson, pianist. The buffet lunch was served by Vina Osier and her committee. Attractive decorations were arranged by Betty Sturdivant and Helen St. Vincent.

## Charity Ball At Terrace To Aid Retarded School

In a continuing effort to get enough funds to operate the new John F. Kennedy School, a Christmas holiday charity ball will be held at the new Terrace Ballroom on Saturday, Dec. 26.

The management has donated the ballroom and orchestra and the proceeds of the ticket sales will be given to the Retarded Children's Association.

Music for the party will be by Manley Anderson's "Talk of the Town Orchestra."

"With return of young people from school for the holidays it is felt that there is need for wholesome entertainment and it is hoped that this ball may provide such entertainment for many and aid a worthy cause at the same time," said Albert Valind, president of the Association. Tickets will be on sale at Gust Asps, the Goodman Drug Store and the Delta Music Center.

This dance is being sponsored by the Retarded Children's Association and tickets will also be available through members.

LONG-TIME RESIDENTS of Escanaba, Mr. and Mrs. Olaf Olson of 1302 Stephenson Ave., are observing their 60th wedding anniversary today. Mr. and Mrs. Olson were married in Foster City and they have one daughter, Mrs. Donald (Marion) Sullivan of Escanaba, one son, John Olson, Park Ridge, Ill., four grandchildren and one great grandchild. They are spending the day quietly at home with immediate family members.

## Lemmer PTA Meeting, Tea Last Evening

Conducting a brief business meeting of John Lemmer PTA held Monday evening, Mrs. Alfred Gossan, president, called for more adult volunteers for the after school recreation program. Robert Barron was named safety coordinator to replace Mrs. John Partridge who moved away. Mrs. Arthur Hartson reported on the successful Halloween Carnival.

William Servant, program chairman, introduced Luther Barrett, superintendent of Escanaba Area Public Schools, who was the speaker of the evening. Mr. Barrett, in complimenting the work of PTA's in general, said that it was very important for parents and teachers to work together as far as the children were concerned. Explaining why the schools are in financial trouble, what will happen if the millage is approved on Dec. 22nd, and what will happen if the millage is not approved, he concluded by saying, "Damage to the educational program means damage to the community. This is an extremely serious situation and needs the serious consideration of the community."

During a question and answer period, federal aid to education, the athletic program of the high school and accreditation by the North Central Association were discussed, among other things.

Pouring at a tea table set with festive decorations were Mrs. Florence Holmes and Mrs. Ruth Swaby, second grade teachers. Helping the room mothers, Mrs. Robert Bero and Mrs. Donald Jacobs, with baking and serving, were the Mesdames John Carlson, Clyde Nyquist, Don Nelson, Herb Peterson, Art Hartson, D. Art Mesier, John Anthony, D. D. Seelen, Bruce Bockes, Marvin Pearson, Thomas Eller and William Miller.

## Steady Growth Shown By Salem In Bark River

Salem Lutheran of Bark River, under the part-time leadership of the Rev. Erland E. Carlson, vice-pastor, increased its stewardship substantially from 1962 to the end of 1963, it is reported. Now as 1964 draws to a close, the congregation has increased the 1963 total income by approximately another \$2,500.

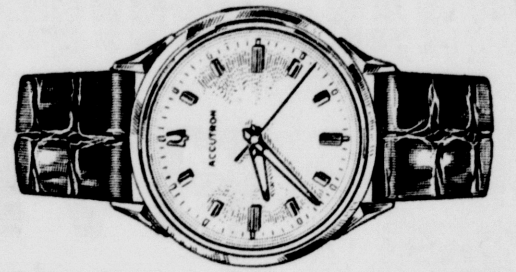

During this past weekend, another stewardship drive has been carried on with the hope that the congregation will be able to make another substantial increase in its giving for 1965. With the coming of a new full-time pastor, the Rev. Wayne A. Monske Jan. 15, an aggressive program will be started for the church in the Bark River area.

It is hoped that a new parsonage will be built for the pastor during the spring and summer of 1965 so that the Sunday Church School will be able to shift some of its pupils to the parsonage basement.

## Junior Leaders Name Officers

The Delta County Junior Leader Organization met at the County Building and elected new officers for the current year: Cindy Safford, president; Sue Sundberg, vice-president; Sally Waak, secretary; Tom Safford, treasurer; Joy Schaut, song leader; Helen Knaus, recorder. The year's program was discussed with the big project, a Citizenship Study. They will visit different governmental units of the county. The workshop for this year will be held at the County Building Jan. 9. Slides were shown on school drop-outs. All junior leaders are invited to attend the meetings.

## U.P. Power Co. Honors Service

Upper Peninsula Power Co. honored employees of its Eastern Division who have completed 5 more years of service with the utility at its annual Christmas party at the Dells Supper Club Monday evening. A hundred ten persons enjoyed the cocktail hour, dinner and dancing.

The program offered brief reports by President Russell F. Hoyer and Board Chairman John H. Warden, Houghton, on the substantial progress of the big electric utility in the year and forecasts of further growth.

Elio Argentati, Escanaba manager, introduced Wilbur Montgomery, who was master of ceremonies. Warden presented 5-year service awards to Donald M. Hansen and Walter Palmquist of the Escanaba Steam Station, and a 10-year award to Lloyd Sloat of Iron River and a 45-year award to Eynard Holmes of Iron River.

Hoyer pleased his co-workers with announcement that George Polley, vice president, operations, Houghton, would wed Mrs. Fayette Brown of Iron River in February.

Hoyer said that the year had added No. 3 generator to the utility's line at its Presque Isle station at Marquette, adding 50,000 kilowatts, and that No. 4, of probably equal power capacity was planned; an extra high voltage line connecting the utility's eastern and western divisions, was an achievement of the year "which bolsters our system and which we are very glad to have as part of our backbone."

U. P. Power moved into a new field of home heating electrically in 1964 with a new special rate for such service and Hoyer said that it was already abreast of a neighboring utility which has been in this field for 5 years.

Economically many things are looking up in the area served by the utility, he said. Calumet & Hecla is developing the Kingston Lode on Keweenaw and while White Pine Copper Co. has suspended development of its northeast ore body, it will eventually resume this operation. Hoerner Boxes, Inc., is installing a new paper machine at its Huss Ontonagon Division mill "and will probably require much more generation."

The utility will hold another party this evening at Ishpeming for its Central Division and one Saturday night at Houghton for its Western Division.

UPPER PENINSULA Power Co. honored employees who have completed another five years of work in 1964 at the utility's annual Eastern Division Christmas dinner and dancing party at the Dells Supper Club Monday evening. Among the officials and honorees were from left: President Russell F. Hoyer, Houghton; Rudy Westerberg, Iron River lineman who started employment in June, his father, Carl B. Westerberg of Escanaba, who retired last year; and John H. Warden, chairman of the board of directors, Houghton. (Daily Press Photo)

ments in utilization of hospital and medical services, elimination of what he called duplication of facilities, and further studies of service charges.

The union official also listed what he called defects in the Blues' operations.

He cited "substantial overutilization" of the two services which he said costs subscribers "millions of dollars in wasteful and unnecessary expenses."

Fraser also said the public lacks full information on the financial condition of the Blues.

Maverson has said other hearings probably will be held later, the dates and locations yet to be set.

The proposed rate changes would apply only to group insurers and not to individuals. A maximum deviation of 20 per cent from the base rate has been proposed by the firms.

### Program Dec. 19 At Isabella

ISABELLA — The Sunday School of Bethany Lutheran Church, Isabella, will give its Christmas program Saturday, Dec. 19, at 7:30 p. m. The opening song will be followed by a welcome by Larry Anderson and Scripture reading by Gloria Sundling. Songs and recitations will be given by Virginia Pomeroy, George McClinchy, Daniel Campbell, Richard Sargent, Susan Lake, Jeanette Sargent, Sharon Haas, Laurie McClinchy, Sandy Pomeroy and Ann McClinchy.

Closing remarks by the Rev. Ingemar Levin will be followed by distribution of perfect attendance awards by Mrs. Helmer Nelson, superintendent.

### Briefly Told

The Fraternal Order of Eagles will hold a semi-monthly meeting today at 8 p. m. at the Eagles Club. Important business matters will be discussed.

Escanaba police have issued traffic court tickets to Shirley Ann Nelson, 1709 9th Ave. S., failing to yield the right of way; and to Mike King, 940 Stephenson Ave., for no operator's license.

## Outsiders Stir Congo Trouble

UNITED NATIONS, N.Y. (AP)—British Minister of State Lord Caradon today blamed much of the Congo trouble on outsiders he said are trying to perpetuate chaos and turn the country into "a cockpit for the cold war."

In a speech before the U.N. Security Council, Lord Caradon did not specifically name the Soviet Union or Red China, but he said the efforts to stir up trouble in the Congo originated outside Africa.

The British delegate joined U.S. Ambassador Adlai E. Stevenson and Belgian Foreign Minister Paul-Henri Spaak in defending last month's rescue operation in the Stanleyville area which has been denounced by some African countries as aggression and motivated by bias against blacks.

Like Stevenson and Spaak, the British representative deplored the injection of "black racism" into the Congo debate by some of the African delegates.

He urged the African nations to put aside "politics and personal animosities" and accept the challenge to restore order and confidence in the Congo.

He spoke as African critics of U.S. policy in the Congo mobilized for a counter blast at Stevenson's speech delivered Monday in the council.

# Michigan Defeats No. 1 Wichita In Final Second

DETROIT (AP) — Michigan, dropped into second place in the Associated Press basketball poll after the one-point loss to Nebraska last Saturday night, proved it still deserved the No. 1 ranking with an 87-85 victory over first-ranked Wichita Monday night.

The contest between the two finest teams in the nation had everything the record Cobo Arena crowd of 11,265 could ask for — good shooting, a close game and a last-second deciding basket.

If they would have voted for the best player in the country after the game, Michigan's Cazzie Russell would have won by a landslide.

Russell's 25-foot jump shot at the buzzer decided the issue and brought the crowd to its feet. The thunderous roar of approval lasted for minutes.

But the winning basket was not all that Russell contributed to Michigan's fifth win in six starts. He took game scoring honors with 28 points, 23 of them in the second half.

"The basket Cazzie scored to tie it at 85-85 (with 17 seconds

to go) was the key play of the game," Coach Dave Strack explained. "Until we tie it, we still don't have a chance."

Earlier, Russell scored 13 of Michigan's 15 points in a surge that took them from a 58-58 tie to a 73-70 lead.

Though Russell's basket knotted the score, Wichita had the ball, and the Shockers wasted no time calling a time out to set up a play. Ten seconds later, with the ball in their end of the court, they called time again.

"We figured they would try a play off the sidelines, feeding to either Dave Stallworth or Dave Leach," Strack explained. "We decided to play tight on them and hope we wouldn't foul."

The Wolverines got more than they bargained for as an errant pass under the Wichita basket went out of bounds and the ball went to Michigan.

Russell passed the ball out to George Pomey, raced up the middle of the court, took a high pass and shot as the sound of the buzzer echoed through the huge hall.

Russell jumped in jubilation, but the crowd was not sure the game was over until the referee signaled that it was a basket.

The lead in the nip-and-tuck

## Wolverines May Request Recount In College Poll

By The Associated Press

Whoops! That crazy-bouncing basketball has given Wichita an up-and-down feeling faster than you can say Cazzie Russell.

Russell and the rebounding Michigan Wolverines floored No. 1-ranked Wichita 87-85 Monday night, less than 24 hours after the Wheatshockers had evicted the Big Ten club from the top spot among major college powers.

Wichita's first loss and North Carolina's 84-78 decision over ninth-ranked Vanderbilt promised another shake-up in the national ratings. The Top-Ten list underwent wholesale changes last week, as reflected in The Associated Press poll released today and based on results through last Saturday.

Wichita, with four straight victories at that point, drew 23 of 33 first-place ballots and out-pointed once-beaten Michigan 309-279. The Wolverines, surprised by Nebraska 74-73 Saturday night, received five first-place ballots.

The Wolves may ask for a recount after Russell's brilliant second-half performance — which included the last-second winning basket — against Wichita, Cazzie dazzled the Shockers after intermission, scoring 23 of his game-high 28 points — six in the final 1½ minutes.

The score was knotted at 85 — 16th tie in the season struggle at Detroit — with four seconds to play when Wichita lost the ball on a bad pass. Russell's running one-hander dropped through the cords at the buzzer, giving the Wolverines their fifth victory.

Bob Lewis hit for 31 points, one more than teammate Billy Cunningham, at Greensboro, N.C., as North Carolina handed

Vanderbilt its second straight setback. The Commodores lost to Virginia Tech 69-64 Saturday and tumbled from third to ninth in The AP poll. Vanderbilt is 3-2 on the season. The Tarheels have won five of seven.

Not one of last week's Top Ten teams held its position in this week's poll. St. Louis, upended by Missouri 72-56 Saturday night, slipped from fourth to 10th. San Francisco and Minnesota climbed into the Nos. 3 and 4 berths, respectively, and split four first-place votes.

UCLA: Duke; St. John's, N.Y., and Kentucky all advanced after successful week-ends. The Bruins, No. 5, trimmed Oklahoma State 68-52. The Blue Devils, No. 6, routed South Carolina 111-72; the Redmen, No. 7, nipped Miami, Fla., 79-77, and the Wildcats smashed Syracuse 110-77 to gain the No. 8 spot.

Four teams which received votes in the weekly poll but failed to crack the Top Ten scored impressive home-court victories Monday night. Jon McGlockin's 24 points carried Indiana past DePaul 91-78; Wayne Estes pumped 40 points as Utah State rattled Nevada 101-80; Miami of Ohio whipped Marshall 114-90, setting a school scoring record, and Drake shackled Idaho State 56-41.

The Top Ten, with first-place votes in parentheses, and points:

## Negros Named To North Team

MOBILE, Ala. (AP) — All-America tackle Larry Kramer of Nebraska heads a 27-man North squad announced today for the 16th annual Senior Bowl football game Jan. 9.

The squad—as did the South team announced Sunday—includes for the first time two Negro players. They are 6-4, 240-pound Michigan State tackle Jerry Rush and Utah end Roy Jefferson, a 6-2, 190-pounder.

The South's Negro players are Olympic sprinter Bob Hayes and Bob Felt, Florida A. & M. backs.

## Karras Wants To Be Traded

DETROIT (AP) — Alex Karras, a defensive lineman with the Detroit Lions and a one-time All-America at Iowa, has asked the National Football League club to trade him.

This was disclosed Monday by Lion Coach George Wilson, who told newsmen: "I don't know whether we could afford to make such a trade. Right now I would have to say 'no.' He's too good a football player."

Wilson said Karras phoned him Saturday night after Detroit's 24-7 victory over San Francisco and asked to be traded.

"He was hot," Wilson said, "so I didn't press him for his reasons. But he must have been serious or he wouldn't have said anything."

"I asked him if he was dissatisfied with me, or any of my coaches, and he said 'no.'"

"I thought, well, maybe time would heal this thing and he'd change his mind. I thought I'd wait until after Christmas to talk to him, even if it means going to Iowa."

The coach said Karras left Monday to spend the holidays with his parents-in-law at Clinton, Ia.

Karras and Green Bay's Paul Hornung, who admitted gambling on National Football League games, were suspended for the entire 1963 season.

In his return this year, Karras seemed to regain quickly the form that had made him an All-Pro selection for four straight years. But in mid-season he suffered a groin injury, and at times lackluster play drew boos from spectators.

## Giardello Retains Crown With Unanimous Decision

PHILADELPHIA (AP) — It was like the old matador against the young, dangerous bull.

Middleweight champion Joey Giardello came perilously close to being gored but he called on every trick he learned in 16 years of pro battling to beat strong Rubin (Hurricane) Carter in his first title defense Monday night.

A rousing finish in the last five rounds of the 15-rounder earned the crafty, 34-year-old champion the unanimous decision over the muscular, 27-year-old second-ranking contender from Paterson, N.J., at Convention Hall.

Giardello was cut over the left eye and shaken by a jolting left hook in the fourth round, Carter had his big chance in that round but he blew it. Giardello absorbed several other solid left hooks to the jaw from his ever-threatening foe but Pal Joey always managed to slip away from the brink of disaster. There were no knockdowns.

This was Giardello's first title defense since he won the crown from Nigeria's Dick Tiger on an upset decision at Atlantic City, N.J., Dec. 7, 1963.

He had only two non-title outings with Rocky Rivero. Now with eight straight victories to his credit, he plans to cash in with a couple of more non-title fights. Then he said he would like to meet the winner of a bout between No. 1 contender Joey Archer of New York and Tiger. Archer beat both Tiger and

Carter on controversial decisions in New York.

Carter, a pro three years, had scored 13 knockouts in 24 pro fights. A fast puncher with a flashy left hook, he counted on the hook to undo the champion. He came close in the fourth only.

The ring-scarred champion kept on the move constantly against his stalking, straight-moving opponent. With blood trickling from the cut most of the way, Giardello fought the classic fight — sticking with his left jab to the head, hooking to the body and head and making Carter miss.

Joey had the challenger slicing the air with dozens of punches in most rounds with a slip of his head or a slight move backwards or to the side. Carter landed his share of punches but Giardello scored with more.

The officials had Giardello the winner by the following point scores, based on the five points a round: referee Bob Polis, 72-66; judge James Mina, 71-66; and judge Dave Beloff, 70-67. The Associated Press scorecard had Giardello a narrow winner, 69-68.

In rounds the scores were Pol- is 9-3-3, Beloff 8-5-2, and Mina 9-4-2. The AP had it 7-5-3.

A ringside poll showed a 15-5 majority for Giardello.

Carter entered the ring a 6-5 favorite after being a 7-5 underdog at the weigh-in. Giardello weighed 160 pounds — the exact middleweight limit — to Carter's 158½.

Giardello's record is 97-22-7, Carter's 20-5.

## Koufax Posted Lowest ERA

CINCINNATI (AP) — Sandy Koufax of the Los Angeles Dodgers posted the lowest National League average in 31 years in winning the circuit's earned-run championship for the third consecutive season in 1964.

Koufax compiled a 1.74 mark, the official NL pitching records disclosed today. He yielded only 43 earned runs in 223 innings. Koufax also pitched the most shutouts, seven, and had the highest winning percentage, .792 on a record of 19 victories and only five defeats.

He was sidelined for the final six weeks of the campaign with a sore arm.

The 28-year-old star captured the ERA crown in 1962 with 2.54 and in 1963 with 1.88. The lowest previous average before 1964 was 1.66 by Carl Hubbell of the New York Giants in 1933.

Don Drysdale, the Dodgers' ace right-hander, was the ERA runner-up with a 2.19 average. He also topped the league in games started, 40, innings pitched with 321 and total batters faced, 1,264.

Chris Short of the Philadelphia Phillies was third in the earned run competition with a 2.20 mark. Then came Juan Marichal of San Francisco, 2.48; Jim Bunning of Philadelphia, 2.63; and Jim O'Toole, Cincinnati, 2.66.

Chris Short of the Philadelphia Phillies was third in the earned run competition with a 2.20 mark. Then came Juan Marichal of San Francisco, 2.48; Jim Bunning of Philadelphia, 2.63; and Jim O'Toole, Cincinnati, 2.66.

## Koufax Posted Lowest ERA

CINCINNATI (AP) — Sandy Koufax of the Los Angeles Dodgers posted the lowest National League average in 31 years in winning the circuit's earned-run championship for the third consecutive season in 1964.

Koufax compiled a 1.74 mark, the official NL pitching records disclosed today. He yielded only 43 earned runs in 223 innings. Koufax also pitched the most shutouts, seven, and had the highest winning percentage, .792 on a record of 19 victories and only five defeats.

He was sidelined for the final six weeks of the campaign with a sore arm.

## In This Corner

with Ray Crandall

**SCORING** — Dom Jacobetti, senior sharpshooter on Coach Gordy LeDuc's Negaunee St. Paul quint, continues to pump in points at a torrid pace . . . In his latest start the Emerald ace tallied 35 in an 87-43 verdict over Republic . . . The triumph was St. Paul's sixth straight this season.

**RETURNS** — Gerald Hautala returned to action for Amasa after missing several recent games and scored 26 points in a 75-53 victory over Watersmeet.

**FRESHMAN** — Iron Mountain lost another Menominee Range Conference contest to Iron River, 86-64, making it four straight setbacks . . . Brien Ouimette, Mountaineer freshman, hit 14 points in the losing cause . . . Dane Dominici paced the Redskins with 22.

**RALLY** — The Kingsford Flivvers trailed Crystal Falls 48-40 with four minutes to go in their Menominee Range Conference game, then outscored the Trojans 15-1 in the remaining time to snare a 55-49 decision . . . The victory was Kingsford's third in four starts . . . Rich Freeman led Kingsford with 14 points and Ted Sacheck topped Crystal Falls with 18.

**INITIAL** — Felch captured its first victory in four starts by spilling Alpha, 63-51, behind a 34 point production by Gary Blomquist, who hit on 12 field goals and 10 free throws.

**STRING** — The Marquette Redmen lost their season opener to Munising and many observers counted Coach Fred Taccolini's quint out of the Great Lakes Conference race this year . . . But Marquette bounced back to register successive GLC victories over Escanaba, Soo and Newberry . . . Paul Albright continued his hot scoring pace in the latest decision over Newberry, 87-59, with 22 points.

**SQUEAKER** — Rudyard, defending Upper Peninsula Class B titlist, edged downstate Rogers City 43-40 for its fifth straight victory of the season . . . Veteran Rick Crews clinched the decision by hitting both ends of a 1-and-1 free throw situation with 30 seconds to go . . . He led both teams in scoring with 23 points.

**GREAT** — Ralph Swanson, a 6 foot 4 inch forward, scored 34 points and hauled down 22 rebounds to pace St. Ignace to an 80-64 victory over Alpena Catholic Central in Straits-Huron Conference action . . . Coach Steve Schoenherr's Saints have won three straight in the conference and four of five starts overall.

**FOURTH** — The Negaunee Miners ran their Great Lakes Conference victory string to four games with a 71-68 verdict over Sault Ste. Marie, defending champion . . . Coach Bob Ellis' cagers spurred to victory after the teams had battled to a 62-62 deadlock with three minutes to go . . . Bill Smith, Soo guard, took scoring honors with 20 points while Negaunee had four men in high double digits.

**EASTERN** — Soo Loretto moved into the top spot in the Eastern Conference race by downing Engadine 73-39 while Piekford was knocking off previously undefeated DeTour by a 79-64 margin.

**PANTHER** — Dave Vertanen, former Rock Little Giant star now playing for Chassell's Panthers, scored 18 points as Chassell rolled over Dollar Bay 65-48 . . . The victory was the fourth in six starts for Chassell.

**UNDEFEATED** — Bergland ran its season victory string to four games with an easy 91-56 romp over Marenisco in Porcupine Mountain Conference competition . . . Ken Demaray tallied 22 points to lead five Bergland players in double figures.

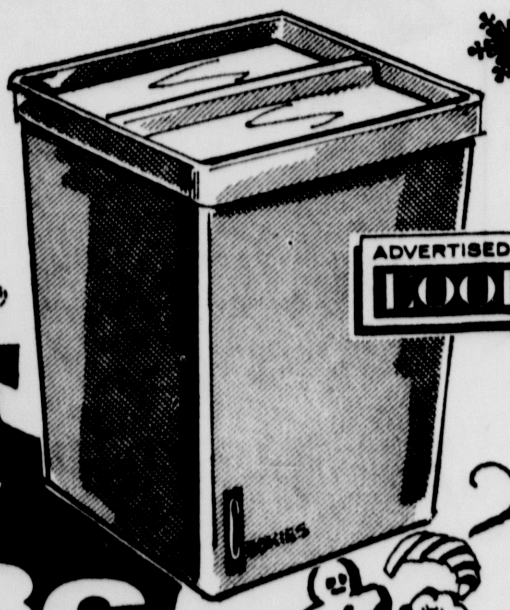

**TIMELY** — John Valesano scored only one field goal for Wakefield in a Michigan-Wisconsin Conference game against Ironwood, but it was an important one . . . It came with 33 seconds left in overtime and clinched a 53-50 victory that left Wakefield tied with Superior East at the top of the Michigan-Wisconsin race.

## Boxing Club In Menominee To Drop Sport

The Menominee Boxing Club, Inc., is disposing of its assets and distributing them among local charity organizations, according to an announcement today by Ernest (Yen) Uecke, club secretary-treasurer.

Uecke said the club's board of directors recently voted to dispose of all of the club assets and give available funds and equipment to charity groups. He said a Menominee attorney is assisting the club in the legal work.

According to club spokesman, \$50 will be given to the Menominee Pop Warner football program; \$50 to Boy Scouts; \$50 to Girl Scouts; \$15 to Santa's Helpers and the remaining funds after final bills are paid will be given to the DAR Boys' Club. He said the Boys' Club will probably receive about \$150 when the books are closed. He added that the Boys' Club will receive all of the equipment which is valued in excess of \$300. Uecke noted the equipment includes about a dozen pair of boxing gloves, punching bags, skipping ropes, headgears and other training equipment.

Uecke explained the boxing club was closed last spring following Golden Gloves tournaments. He said the closing came as the result of a rift between club officials and Coach Robert Hansen. He reported the board of directors attempted to acquire a new coach and train-

er who met the qualifications of the board. He said three were interviewed but were unable to accept the assignment because of the press of job and family duties.

The club official said a special meeting was called two weeks ago and the board of directors voted to dispose of the assets. Dan Uecke is president of the boxing club, Robert Kuhnle is vice-president and Ernest Uecke secretary-treasurer. All are members of the board of directors along with Robert Gulbransen.

The Menominee Boxing Club was organized in 1958 and promoted several successful shows in the Menominee High gymnasium. The Menominee boxer were well respected in amateur fight circles throughout the Upper Peninsula and Wisconsin. Among the outstanding mittmen representing Menominee were Neil Beaudou, Teddy Beaudou, Bob Zukas, Jeff DeGayner, Jerry Bohan, Dick Schomer and Howard Biehl. Menominee held the U.P. Golden Gloves title for several years.

The closing of the Menominee club leaves a dark shadow on the future of the U.P. Golden Gloves tournament held annually at Escanaba. The 1965 tournament has been scheduled for Jan. 30 and Feb. 13 at Escanaba Holy Name gym. Amateur boxing is also down in Manistique and teams at Sault

## Craig Traded To Cincinnati

CINCINNATI (AP) — Roger Craig, the losingest pitcher in the National League in 1962-63, and power-hitting Charley James have been acquired by the Cincinnati Reds in a trade with the St. Louis Cardinals.

The Cardinals got knuckleball artist Bob Purkey and an unidentified minor league player in the swap announced Monday by Reds owner William O. DeWitt.

DeWitt said the minor league player will be named later.

Purkey, 35, has been with the Reds since 1958, and recorded his best season in 1962, winning 23 and losing five. That year Purkey beat every club in the league at least once and compiled an earned-run average of 2.81.

Craig won his "losing" title with the New York Mets, winning only 10 games and losing 24 in 1962. In 1963 he won five and lost 22.

The Mets traded Craig to St. Louis and he was 7-9 for the Cardinals last season with an ERA of 3.25. Craig started his career in 1955 with the old Brooklyn Dodgers and has a World Series record of 2-2 for the Dodgers.

James batted .223 for the Car-

dinals last season. He hit five home runs.

Purkey compiled an 11-9 record last season, with most of his victories coming in the final two months. His ERA was 3.03. Following his 23 victories in 1962, the most won by a Reds pitcher in 18 years, Purkey slipped to a 6-16 record in 1963.

Eben's high flying Eagles will be shooting for their sixth straight Central League triumph tonight when they invade Bark River-Harris.

Coach Jim Depew's cagers have run up five straight victories this season, all of them coming in league competition. Bark River-Harris has won one of three Central starts.

Trenary also has chalked up five Central victories but the Comets' record is marred by one defeat, suffered by a single point to Eben, 64-63, Dec. 1. Trenary has no opportunity to gain on Eben this week as the Comets play non-league National Mine in their final pre-holiday outing tonight.

The Garden Jets have a chance to tighten their grip on the third place position in the

race. Coach Dave Pelletier's cagers have a 2-1 record and play Perkins Wednesday and Bark River Friday. Both the games are in the Garden gym. Tonight's clash between Rapid River and Cooks will be played at the Manistique High School gym.

## Foul Shooting Provides Win

By The Associated Press  
The foul shooting of the Philadelphia 76ers and San Francisco's Wilt Chamberlain enabled the 76ers to defeat the Warriors in the only National Basketball Association game Monday night.

The 76ers hit on 39 of 43 foul shots for a 119-112 victory over the Warriors at Pittsburgh's Civic Arena.

The Warriors, on the other hand, missed nine of 29 charity tosses. All of the misses were by Chamberlain, who also made six and was the game's high scorer with 40 points.

## 2. In Memoriam

### Johnson

In loving memory of our dear son and brother, James Johnson, who passed away two years ago, December 15, 1962. We do not need a special day to bring him to our minds. The days we do not think of him are very hard to find. Within our hearts of memories he holds a place apart. For no one else could ever be more cherished in our hearts.

Sadly Missed By His Mother & Father, Mr. and Mrs. Albin Johnson, Sisters and Brothers

## Entire College Up For Sale

CARTHAGE, Ill. (AP) — Write your own check for \$1.5 million and you can buy a college — 37 buildings on 44 acres. That's what the advertisement says in some newspapers around the nation.

It's the campus abandoned this year by Carthage College, a Lutheran institution which moved to Kenosha, Wis., to follow a shift in the population center of its controlling synod.

The deserted campus sits bleak and lonely 250 miles southwest of Chicago in Carthage, population 3,500, the seat of Hancock County.

Buildings date from three-story Old Main, a Victorian structure completed in 1871, to the austere chapel-music hall built in 1951.

The school plant is being offered for sale by Previews, Inc., a national clearing house for real estate with offices in New York, Chicago and other major cities.

Robert E. Reilly, vice president of the firm, said he and community leaders of Carthage hope the buyer will establish another college.

The school once had 400 students.

The college stands, clear of mortgage and taxes, with its classroom bookshelves and chairs still in place.

There are 206 named bones in the adult human body.

## SANTA and the SINGING TURTLE

Synopsis: Womp imprisons the Prince in a magic circle drawn in the snow. Then he puts on the magic shoes and leaves for Fairyland to cast a spell over Santa Claus.

### CHAPTER TEN SANTA IN FAIRYLAND

AT DAWN the turtle and the Snowman arrived in Fairyland. While they waited for the Prince to arrive they removed their magic shoes, for Tweedle-knees had told them the shoes were good only for a one-way trip to Fairyland. They threw the shoes away and gazed around them, speechless.

They were in a place of enchantment where the sun shone every day and flowers bloomed all year long.

"I shall melt!" thought the Snowman worriedly.

But he didn't because Fairyland is a place where the weather is neither hot nor cold but always just right for every creature who comes there.

Fairies and elves and pixies romped among the flowers. Storybook characters sat under the trees and told tales, old and new. Strange insects gossiped together and animals who had always feared each other were friends today in Fairyland.

All around were the sights and sounds of the Christmas Music Festival that was about to begin. Instruments were being tuned and voices tried out. Some musicians rushed about nervously pulling their hair. Others stood muttering to

Santa had heard the turtle's voice.

themselves. Still others stamped their feet in time to tunes beating in their heads.

George began to shake with excitement. So many musicians! Could he possible perform as well as they? He was sure he could. He longed to throw back his head this very minute and show how beautifully he could sing, how golden the tone of his voice.

But where was the Prince? George turned his head this way and that, searching. What could have happened to him? A sudden trickle of fear caused him to shiver.

"Look yonder!" whispered the Snowman suddenly. "He's coming!"

With a sigh of relief, George turned. But instead of the Prince here was Santa Claus coming down the path. He was short and fat and dressed all in red. He was jolly and smiling and as happy as if the Music Festival were something he had been looking forward to for a hundred years, as indeed he had!

He came straight up to George and the Snowman and said, "Welcome! Have you come to sing?"

The Snowman said shyly, "I've come to listen. George has come to sing."

"Ah, said Santa nodding at the turtle. 'I've heard of you! I love a good voice and I am looking forward to your performance. In fact, just to start things off right I shall put you down to sing first.' He took out a notebook and began to write down George's name.

But George said, "Please, if you don't mind, I'd like to wait for my friend, Prince Chad." Then he told Santa how the Prince had come all the way from Razenpie to see Santa and get his help for the people in his kingdom. He told how Patrick Tweedle-knees had given them the magic shoes to get to Fairyland and how all the Prince had to do was put them on and he would be there.

"I'm so afraid something bad

has happened," he ended anxiously.

"Nonsense," said Santa cheerfully. "We'll put you down for number 15. By that time the Prince will be here and you can sing your best."

He wrote George's name down opposite number 15 and then he called all the musicians together and said, "Let's begin!"

He led the way to the Fairy Queen's garden where the Queen was waiting on her throne. Santa sat beside her in a red-cushioned rocking chair. All the elves and pixies and animals and storybook folk settled on the grass around them.

As the festivities were about to begin there was a small commotion at the back of the garden. A latecomer had arrived.

George looked eagerly over his shoulder, sure the Prince had come at last. But it was not the Prince. It was Womp, cloaked in black and carrying a flute in his hands.

Tomorrow: The Festival

## Deadline Near On Yule Cards

To be absolutely sure of on-time delivery, out-of-town Christmas cards should be put in the mail Wednesday at the latest, Postmaster James Pryal warned.

The Escanaba Post Office will be open from 8 a. m. to 6 p. m. all this week except Saturday, when the office will close at 5 p. m. so that patrons may purchase stamps and mail cards and packages.

The postmaster also noted that there is more to the four new Christmas stamps than just a pretty design.

"Each of the gaily colored holiday messengers can trigger a vast amount of postal service for you," he said.

"The five-cent postage provides first-class mail privileges for Christmas cards. This

means they may be forwarded or returned if undeliverable and they receive the normal first-class priority in handling and delivery.

"Of course, the stamps will be good for all mailing purposes for which postage stamps are used."

The Post Office Department predicts another record volume of mail this Christmas, with seven billion pieces moving through the system during the pre-Christmas peak.

Highest volumes in Escanaba so far this year were on Sunday, Dec. 6, and Saturday Dec. 5. Postmaster Pryal estimated that mail volume to date is running about 3.8 per cent above last year during the same period.

So far 95,000 Christmas stamps have been purchased by Escanaba citizens. The Postmaster is suggesting that all outgoing mail include the local Zip code 49829 in return addresses.

## Electors Cast Official Vote Under Paint Pails

LANSING (AP) — The paint-ers worked above, the plywood floor was bare and folding chairs were used as Michigan electors cast their votes for President Monday.

The 21 Democrats picked at the Nov. 3 election went down the line unanimously for President Johnson and running mate Sen. Hubert Humphrey at a 45 minute ceremony in the uncommonly austere State Senate chamber.

The chamber is getting a mild face lifting, but state law is unyielding on the site of the electoral meeting. So the electors balloted under the paint pots and amidst the inevitable rubble of redecorating.

A crash program got the plywood floor down in time for the electoral convention. But the Senate's new chairs hadn't arrived.

## Question:

Do you know why homeowners in this area change to Mobilheat?

## Answer:

Our Furnace Analysis can save them up to 38% on heat costs — and it's FREE!

The Mobil Fuel-Saver Analysis is made with this scientific kit

Mobil Fuel-Saver Analysis is made in 20 minutes without taking anything apart. Our Fuel-Saver Experts make these scientific tests for heat waste: 1. Heat needlessly escaping up chimney. 2. Unburned fuel going up in smoke. 3. Faulty draft that works your furnace overtime. 4. Air-fuel mixture that wastes oil. Call today.
